1. Set-Aside Election:

UNITS SELECTED IN INCOME AND RENT DETERMINE POINTS FOR THE BONUS POINT CATEGORY

Note: In order to qualify for any tax credits, a development must meet one of two minimum threshold occupancy tests. Either (i) at least 20% of the units must be rent-restricted and occupied by persons whose incomes are 50% or less of the area median income adjusted for family size (this is called the 20/50 test) or (ii) at least 40% of the units must be rent-restricted and occupied by persons whose incomes are 60% or less of the area median income adjusted for family size (this is called the 40/60 test), all as described in Section 42 of the IRC. Rent-and income-restricted units are known as low-income units. If you have more low-income units than required, you qualify for more credits. If you serve lower incomes than required, you receive more points under the ranking system.

Credit Points for 9% Credits:

* 4% Credit applications will be calculated using the E-U-R TE Bo

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 200 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 200. In this example, (40%/60%) x 200 or 133.33 points.

Cost Points:

If the Applicable Cost by Square foot is \$238 and the deal's Proposed Cost by Square Foot was \$119, you are saving 50% of the applicable cost. This deal would receive all 100 cost points.

For another example, the Applicable Cost by SqFt is \$238 and the deal's Proposed Cost is \$153.04 or a savings of 35.70%. Using a sliding scale, your points would be calculated by the difference between your savings and the desired 50% savings. Your savings divided by the goal of 50% times the max points 100. In this example, (35.7%/50%) x 100 or 71.40 points.

COMMONWEALTH OF VIRGINIA : GRANDE OAKE III VA LLC

LIMITED LIABILITY COMPANY

COUNTY OF YORK : <u>OPERATING AGREEMENT</u>

THIS OPERATING AGREEMENT (the "Agreement") made as of the 1st day of March, 2021, by and among the undersigned members of GRANDE OAK III VA LLC, a Virginia limited liability company (the "Company"), such persons being hereinafter referred to individually as a "Member" and collectively as the "Members."

WITNESSETH:

WHEREAS, the parties hereto desire to organize a limited liability company to engage in any lawful business including ownership and development of an affordable housing apartment complex in the County of York, Virginia to be known as Grande Oak III ("Project").

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements contained herein, and other good and valuable consideration, the parties hereto agree as follows:

- 1. NAME AND BUSINESS. The Members do hereby form a limited liability company ("LLC") under the name of Grande Oak III VA LLC in accordance with and pursuant to the Virginia Limited Liability Company Act (the "Act"), to engage in any lawful business including ownership and development of real property. The organizing Members, or their representatives, shall execute and file Articles of Organization on behalf of the Company in the Virginia State Corporation Commission. The Members shall do or cause to be done all such filings, recordings or other acts as may be necessary or appropriate from time to time to comply with the requirements of the Act or otherwise as necessary for the operation of LLCs in the Commonwealth of Virginia. The Company shall promptly reimburse any cost incurred by the Members in connection with the foregoing.
- 2. <u>TERM.</u> The Company shall begin as of the date of filing the aforementioned Articles and shall continue perpetually unless sooner terminated as provided in paragraph 15 of this Agreement.
 - CAPITAL; LIABILITY OF MEMBERS.
- (a) <u>Initial Capital Contribution</u>. The Members shall make initial capital contributions to the Company in amounts as mutually agreed upon such that their initial capital interests in the Company shall be as follows:

1

<u>Members</u> <u>Capital Interest</u>

Grande Oak III MM LLC 90.00% Southeastern Housing Preservation, Inc. 10.00%

(b) Subsequent Capital Contributions. For purposes of paragraphs 3 - 6 of this Agreement, and with respect only to allocations and distributions to a Member, capital contribution obligations, and capital account maintenance rules (but not with respect to any other rights including voting rights of a Member), the term "Member" shall include the assignee, if any, of such Member. Each Member is personally liable for his proportionate part (determined with reference to his interest in profits as provided in paragraph 4(a)) of any capital contribution required for continuation of the Company business as determined reasonably and in good faith by the affirmative vote of at least 100% in voting interest (as determined in paragraph 7(c)) of the Members. In the event that any Member refuses or fails to make any such required capital contribution within thirty (30) days after written notice of the Members' approval of the additional contributions, then such Member (the "Defaulting Member") shall be in default of this Agreement and the other Members and the Company shall have any and all remedies available at law or in equity as a result of such default, including without limitation the right (upon the affirmative vote of a majority in voting interest of all Members other than the defaulting Member) to expel such defaulting Member from the Company, in which event the value to be paid for the defaulting Member's interest and the manner of payment shall be determined in accordance with the provisions of paragraph 12 of this Agreement. In addition, but without limiting any such rights or remedies of the other Members or the Company, the other Members may, but shall not be required to, contribute such deficiency to the Company. To the extent that any Member does contribute any deficiency to the Company for the Member failing to do so, such contribution at the sole election of the contributing Member(s) shall be deemed to be either (i) an additional capital contribution requiring adjustments to the Percentage Interests as set forth in the next paragraph, or (ii) a loan to the defaulting Member repayable on demand which shall bear interest from the date of such contribution at a rate computed to be ONE PERCENT (1%) above the prime rate established by Bank of America, N.A. on the date of such contribution. The defaulting Member shall have no voting rights on matters of Company business, and no further distributions or withdrawals may be made to or by the defaulting Member, until such loan with interest is paid in full. Any distributions, withdrawals, or rights thereto that would otherwise be distributed to or withdrawn by the defaulting Member (including any distribution made on expulsion of such Member

as described below) during the term of any such demand loan shall be paid, credited, or accrued to the Member or Members who contributed the deficiency to the Company and shall be applied as a credit against the amount due from the defaulting Member, but such amounts shall be treated for book and tax purposes as if they had been distributed to the defaulting Member and then paid to the Member or Members actually receiving the same in respect of the loan. Failure to repay any such demand loan within thirty (30) days after written demand therefor shall be deemed sufficient grounds for expulsion of such Member from the Company. In such event, the value to be paid for the defaulting Member's interest and the manner of payment shall be determined in accordance with the provisions of paragraph 12 of this Agreement. Except for the payment to liquidate his membership interest in the Company as herein provided, such defaulting Member shall have no further interest or rights in the Company, its business or assets.

If the contributing Member(s) elect to treat the amount contributed on behalf of the defaulting Member as an additional capital contribution by them to the Company as provided in item "(i)" above, the Percentage Interests in net profits and net losses described in paragraph 4(a) shall be redetermined for each Member based on the ratio of his capital account balance as adjusted for the new contribution and an adjustment made pursuant to the methodology of paragraph 3(e), divided by the total capital account balances of all Members as adjusted above. Following such adjustments to capital accounts and Percentage Interests, the default shall be deemed cured.

- (c) <u>Credits and Debits to Capital Account</u>. A separate capital account shall be maintained for each Member
 - (i) to which shall be credited:
 - (A) The amount of money and fair market value of other property comprising the Member's capital contributions,
 - (B) Any allocations of Company income, gains, and profits made to the Member for book purposes under paragraph 4, and
 - (C) The amount of any Company liabilities that are assumed by the Member or that are secured by any Company property distributed to the Member; and
 - (ii) to which shall be debited:

- (A) The amount of cash and the fair market value of any Company property distributed to the Member pursuant to any provision of this Agreement,
- (B) Any allocations of Company deductions and losses made to the Member for book purposes under paragraph 4, and
- (C) The amount of any liabilities of the Member that are assumed by the Company or that are secured by any property contributed by the Member to the Company.
- (d) Treasury Regulations Section 1.704-1(b) Compliance. Paragraph 3(c) and any other provisions of this Agreement relating to the maintenance of capital accounts are intended to comply with Treasury Regulations Section 1.704-1(b), as amended, and shall be interpreted, applied, and modified to the extent necessary to comply with such Regulations. For all purposes of this Agreement, the phrase "for book purposes" shall be construed and applied according to the provisions of Treasury Regulations Section 1.704-1(b).
- Adjustment of Values. The gross value of Company property for book purposes, and (e) the capital accounts of the Members, shall be simultaneously adjusted to reflect the gross fair market value (as determined in good faith by the affirmative vote of at least 100% in voting interest of the Members as required by paragraph 7(c)) of such assets as if the Company recognized gain or loss (determined with reference to the Company's bases in its assets for book purposes) in an actual disposition of such assets (i) at such times as is permitted under (and pursuant to the rules of) Treasury Regulations Section 1.704-1(b), as amended, and (ii) upon any other change in a Member's Percentage Interest (defined in paragraph 4(a)). Any such adjustment to the individual capital accounts of the Members shall be made by allocations of any such deemed gains or losses in accordance with the Members' relative interests in such gains or losses as provided in paragraph 4 in effect immediately before the triggering event described in items "(i)" and "(ii)" of this subparagraph (e). If the Members are unable to agree by the affirmative vote described above regarding the gross fair market value of Company assets, or if any Member otherwise requests the valuation determination to be made by appraisal, such value shall be determined by appraisal as follows. The Members unanimously shall select two qualified appraisers, such two appraisers shall then appoint a third qualified appraiser, and the three appraisers separately shall appraise such gross fair market value. The average of the two appraisals which are closest in amount shall be binding upon the

parties hereto, and the other appraisal shall be ignored. The Company shall pay all expenses involved with such appraisers unless a Member requests an appraisal determination of value as provided above, in which case the costs of the appraisal shall be paid by the requesting Member. For purposes hereof, a qualified appraiser shall be any entity or person who regularly engages in the valuation of assets of the kind and nature owned by the Company and who holds themselves out as being in such business and qualified to make such valuation.

- (f) <u>Transfer of Interest</u>. In the event any interest in the Company is transferred in accordance with the terms of this Agreement, the transferree shall succeed to the capital account of the transferrer to the extent it relates to the transferred interest.
- Agreement, no Member of the Company, as identified on the signature page hereof or who subsequent to the date hereof becomes a Member, shall be personally liable for or obligated to contribute money or property to or in respect of the debts, liabilities, contracts, or any other obligations of the Company (unless he was so liable prior to becoming a Member). Except as otherwise provided in this Agreement, no Member shall be liable to restore a deficit balance in his capital account.
- (h) <u>No Interest to be Paid</u>. No interest shall be paid on the capital accounts of the Members in the Company.

4. PROFIT AND LOSS.

(a) <u>General</u>. Generally, except as otherwise provided in this paragraph 4, the net profits and the net losses of the Company for book and tax purposes shall be allocated to the Members in the proportions of their "Percentage Interests", as follows:

<u>Members</u>	Percentage Interest

Grande Oak III MM LLC 90.00% Southeastern Housing Preservation, Inc. 10.00%

(b) <u>Stop Loss Allocations</u>. Notwithstanding paragraph 4(a), no allocation of loss or deduction shall be made which causes or increases a deficit balance in any Member's capital account as adjusted pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(d) (unless such allocation is otherwise permitted by such Section); and any such deduction or loss allocation shall instead be

made to the Members who are permitted to receive the same in accordance with the provisions of this Agreement.

- (c) <u>Qualified Income Offset</u>. Notwithstanding paragraph 4(a), allocations of income and gain shall be made to the Members at such times and in such manner as required by the qualified income offset provisions of Treasury Regulation Section 1.704-I(b)(2)(ii)(d) in order to eliminate any "adjusted" (within the meaning of such Section) deficit capital account balances which may exist.
- (d) <u>Gross Income Allocations</u>. In the event that any Member receives a distribution that causes or increases a deficit (which he is not liable to restore) capital account balance (as maintained and adjusted pursuant to paragraph 3) after taking into account all other provisions concerning allocations of profits and losses of this Agreement, such Member shall be allocated items of gross income or gain for the tax year of such distribution in an amount sufficient to eliminate such deficit.
- (e) <u>Allocations in Respect of Nonrecourse Liabilities</u>. To the extent that the Company incurs any nonrecourse liabilities as described in Treasury Regulations Section 1.704-2, the following provisions shall apply notwithstanding paragraph 4(a) hereof:
 - (i) Nonrecourse Deductions. Partner nonrecourse deductions shall be allocated to the Members based upon the ratios in which they bear the economic risk of loss for the applicable liability, and allocations of other nonrecourse deductions shall be made to the Members in accordance with their Percentage Interests in effect under Paragraph 4(a); all as determined in compliance with Treasury Regulations Section 1.704-2, as amended or modified from time to time.
 - (ii) <u>Minimum Gain Chargeback</u>. Allocations of items of income and gain of the Company for any taxable year shall be made, prior to any other allocation for such year under this Agreement or otherwise, to the Members as required by the minimum gain chargeback provisions of Treasury Regulations Section 1.704-2, as amended or modified from time to time.
- (f) <u>Curative Allocations</u>. The Members acknowledge that allocations made pursuant to paragraphs 4(b)-(e) above (collectively, the "Regulatory Allocations") are intended to comply with certain requirements of Treasury Regulation Section 1.704-1(b) and may not be consistent with the manner in which the Members intend to share distributions of the Company. Accordingly, in the event any Regulatory Allocations are made to the Members, subsequent curative allocations provided for in this paragraph shall be made in a manner to prevent the Regulatory Allocations from

distorting the manner in which Company allocations and distributions are shared pursuant to paragraphs 4(a) and 5, respectively. Such curative allocations of items of Company income, gain, loss, and deduction shall be made to the extent possible in any tax year in amounts sufficient such that the aggregate cumulative Regulatory Allocations and the cumulative curative allocations required by this sentence are made to the Members in proportion to their Percentage Interests described in paragraph 4(a) above in effect during the time period affected by such allocations, as if the Regulatory Allocations had not occurred.

(g) Other Allocations Rules. Although it is intended that paragraph 4(a) be the general rule for allocations of book and tax income or loss, such allocations shall be adjusted or modified in any given instance to the extent necessary to comply with Section 704(b) and (c) of the Internal Revenue Code of 1986, as amended (the "Code") and the Treasury Regulations promulgated thereunder. For purpose of determining the profits, losses, or any other items allocable to any period, profits, losses, and any such other items shall be determined on a daily, monthly, or other basis using any permissible method under Code Section 706 and the Treasury Regulations promulgated thereunder.

SALARIES AND DISTRIBUTIONS.

- (a) <u>Limitation of Member's Salary</u>. No Member shall receive any salary, commission, or fee for services rendered to the Company unless the payment of such salary, commission, or fee is approved by a unanimous vote of the Members.
- (b) <u>Distributions of Cash Flow</u>. Subject to paragraph 5(c), the net cash flow of the Company, as reasonably determined by the Managers, shall be distributed at such times as may be determined by the Managers (but no less frequently than annually) to the Members in accordance with the Percentage Interests which are in effect pursuant to paragraph 4(a) at the time of the distribution.
- (c) <u>Distribution upon Liquidation</u>. In the event of termination and liquidation of the Company, then the assets of the Company remaining after settlement of Company obligations shall be distributed to the Members in accordance with their positive capital account balances as adjusted to fair market value pursuant to paragraph 3(e), except as otherwise provided in this Agreement. Any distribution to a Member to liquidate his interest in the Company other than during the liquidation of the Company, and except as otherwise provided in this Agreement, shall be in the amount of his positive capital account balance adjusted as provided above.

- (d) <u>Distribution in Kind</u>. If any of the assets of the Company are to be distributed in kind, the fair market value of such assets shall be determined in accordance with paragraph 3(e) as of the time of such distribution. Allocations to the Members' capital accounts (using the methodology described in paragraph 3(e)) shall be made of the amount of gain or loss, if any, which would have been realized by the Company if such assets had been sold by the Company for prices equal to their respective fair market values as so determined. Alternatively, if all of the other Members agree, the Company may exercise this first right of refusal and purchase and liquidate the Selling Member's interest upon the terms and conditions of this paragraph. If the other Members or the Company do not accept the Offer to purchase the entire membership interest being offered within sixty (60) days of its receipt, then the Selling Member may transfer his interest pursuant to a bona fide purchaser provided that such transfer occurs within ninety (90) days after the receipt of the Offer by the other Members. - 11. <u>WITHDRAWAL</u>. Without the unanimous written consent of the Members, except as provided below a Member may not voluntarily withdraw from the Company and thereby require the Company to dissolve and liquidate or to purchase or redeem such Member's interest.

The price to be paid for a defaulting Member's interest shall be equal to eighty percent (80%) of the capital account balance of the defaulting Member as of the Effective Date, which valuation is intended to reflect liquidated damages as a compensatory measure in favor of the nondefaulting Members as a result of the default. Unless otherwise agreed to by the parties, the purchase price shall be paid on a level payment amortization basis, with principal and interest being due and payable in three (3) equal annual installments beginning one (1) year after the Effective Date, with interest on the unpaid balance accruing from the Effective Date at a fixed rate equal to the Prime Rate as established by Bank of America, N.A. existing on the Effective Date but in no event less than the applicable federal rate established pursuant to the Code for such month. The Company shall execute a promissory note in the amount of the purchase price in accordance with the terms hereof which shall be secured as provided in paragraph 14. Such right to purchase shall be exercised by all surviving Members desiring to participate in the purchase in the proportions that their Percentage Interests bear one to the other; provided that if any such Member does not want to purchase the full portion of the interest to which he is entitled, such portion may be purchased by the other purchasers in the manner provided above. Such rights to purchase shall apply only to and be effective only for all of the decedent's interest in the Company. The purchase price shall be equal to the decedent's capital account balance plus the decedent's share of one hundred fifty percent (150%) of the average of the prior two (2) calendar years earnings as determined by the certified public accountant regularly employed by the Company for the most recent reporting period preceding the event which triggers the purchase.

Payment of the purchase price shall be made in the same manner as that provided in paragraph 12 above, except that the Effective Date of withdrawal of the decedent shall be the date of such written notice to the P.R., the closing of such purchase shall occur within thirty (30) days after the Effective Date, and any deferred payment shall be secured as provided in paragraph 14. Alternatively, if all remaining Members agree the Company may exercise this option to purchase and liquidate the decedent's interest upon the terms and conditions of this paragraph. If the Company has no real property, the Company shall grant to the selling Member a security interest in its personal property (subject to any existing perfected security interest thereon), which shall be perfected by the Company's executing and filing financing statements as provided above. - 8. <u>Development Fee.</u> For services provided and to be performed under this Agreement the Company agrees to pay the developer a fee (the "*Development Fee*") in the aggregate amount of \$_______, as provided in this Paragraph 8. The Development Fee shall be earned as follows:
 - (a) Ten percent (10%) of the Development Fee shall be earned as the services described in Paragraph 3 are performed. In the event that at the end of any billing or fiscal period, a significant portion (but not all) of such services have been performed, a proportionate amount of such portion of the Development Fee shall be deemed earned.

- (c) Five percent (5%) of the Development Fee shall be earned as the services described in Paragraph 5 are performed. In the event that at the end of any billing or fiscal period, a significant portion (but not all) of such services have been performed, a proportionate amount of such portion of the Development Fee shall be deemed earned.
- (d) Seventy-five percent (75%) of the Development Fee shall be earned as the services described in Paragraph 6 are performed. The Development Fee shall be payable at a mutually agreeable time; provided that (i) any portion of the Development Fee not treated as a Deferred Development Fee shall be payable on or before the date of the final capital contribution of the investor member in the Company; and (ii) any Deferred Development Fee shall be payable when and as funds are available to the Company to pay such fee, but in all events immediately after the close of the credit period (the "*Credit Period*" as that term is defined in Section 42(f)(1) of the Code) with respect to the Project. The Developer agrees that it shall recognize the entire fee is taxable income not later than the year following the end of the Credit Period. The Developer will retain and provide to the Company books and records substantiating its allocation of the Development Fee.
- 11. <u>Fee Unconditional</u>. It is expressly understood and agreed by the parties hereto that the Development Fee and the reimbursement of costs incurred by the Developer in connection with the development of the Project shall be payable without regard to the income or profits of the Company.
- 12. Withholding of Fee Payments. In the event that (i) the Developer shall not have substantially complied with any material provisions under this Agreement, or (ii) any construction financing commitment, or any agreement entered into by the Company for construction financing related to the Project shall have terminated prior to its respective termination date(s), or (iii) foreclosure proceedings shall have been commenced against the Project by a construction lender, then the Developer shall be in default of this Agreement, and the Company shall withhold payment of any installment of the fee not yet earned by the Developer. All amounts so withheld by the Company shall be promptly released to the Developer only after cures of the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Company.
- 13. Right of Offset. The Company shall have the right to offset amounts owed hereunder to the Developer against any obligation of the Developer to the Company or its members, whether such obligation is incurred in its capacity as Developer, member manager, guarantor or otherwise.

- **14.** Assignment of Fees. Without the consent of the Company, the Developer shall not assign, pledge or otherwise encumber, for security or otherwise, the Development Fee, or any portion(s) thereof or any right(s) of the Developer thereto. - 19. <u>No Continuing Waiver</u>. The waiver by any party or any breach of this Agreement shall not operate or be construed to be a waiver at any subsequent breach.
- **20.** Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter as of the date hereof and supersedes all prior understandings, representations, proposals, discussions and negotiations whatsoever, whether oral or written, between the parties hereto.
- 21. <u>Applicable Law.</u> This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia.

- 2. Option Money. The Option Money of \$10.00 associated with this Agreement shall be nonrefundable and shall not be credited against the Purchase Price.
- 3. <u>Exercise of Option</u>. The option herein granted may be exercised only by the giving of written notice of exercise of the Option to Seller by Buyer, which notice shall be in accordance with the provisions of <u>Paragraph 13</u> hereof, and which may be given at any time within the Option Term. If this Option Agreement is not exercised during the Option Term, all rights of Buyer shall cease and terminate.
- 4. <u>Purchase Price</u>. The Purchase Price for the Property shall be Five Hundred Ninety Six Thousand Six Hundred and No/100 Dollars (\$596,600.00).
- 5. <u>Closing Date</u>. Closing shall be no later than January 31, 2023 or earlier upon no less than five (5) days notice to Seller. Notwithstanding the foregoing, Buyer may extend the

Closing Date by 6 consecutive 30 day periods by providing written notice of extension to Seller prior to the then existing Closing Date.

6. <u>Title</u>. At Closing, Seller shall deliver to Buyer indefeasible and marketable fee simple title to the Property, free and clear of any deeds of trust, liens, security interests, encumbrances or other restrictions other than matters or conditions (i) currently existing of record, (ii) that would be disclosed by a survey or inspection of the Property, (iii) or which are caused by Buyer, its agents, employees or representatives.

Title shall be conveyed by a mutually agreeable ground lease or by a special warranty deed in recordable form conveying marketable indefeasible, fee simple (in fact, and insurable so to be) title, free and clear of all liens and encumbrances save and except only matters or conditions permitted pursuant to the foregoing paragraph and exceptions consented to by Buyer as set forth in the foregoing paragraph, and ad valorem taxes for the calendar year of Closing (to be prorated on a calendar year basis as of the Closing Date. Except as consented to by Buyer, Seller shall do nothing which impairs such title to the Property as Seller now owns during the Option Term.

The general location of the Easements shall be as shown on the approved Subdivision Plat (see Section 8 above) or other document or drawing mutually approved by Seller and Buyer in writing. RE: 2022 Tax Credit Reservation Request

Name of Development: Grande Oak III

Name of Owner: Grande Oak III VA LLC

Gentlemen:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package (of which this opinion is a part) dated March 10, 2022 (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

- 1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
- 2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

ATTORNEY'S OPINION LETTER for Grande Oak III VA LLC, continued

- 3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
- 4. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
- 5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.
- 6. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
- 7. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("VHDA") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by VHDA and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

Grande Oak III Preliminary Review Utility Allowance Estimation

Dear Jen,

Thank you for the opportunity to provide a preliminary review and Utility Allowance (UA) for Grande Oak III in Williamsburg,

In order to estimate the electric utility use, we used RESNET standard approved software (Ekotrope and/or REM/Rate). Below is the projected electric utility allowance cost that represents the 'worst case' unit type (highest projected cost). The inputs used in the energy modeling were from the preliminary plans and attached assumptions of units meeting ENERGY STAR v3 standards. Water and sewer projections below were calculated using the HUD Water & Sewage Calculator, as well as the VHDA Utility Allowance Schedule.

Unit Type	Electricity	Water & Sewer	Water & Sewer	Total UA (VHDA +
	(ekotrope)	(HUD)	(VHDA)	ekotrope)
2Br	\$46	\$86	\$63	\$109

These figures are based on a set of assumptions that were needed to complete an initial assessment of development plans, as per *Appendix F – RESNET Rater Certification of Development Plans*, and will be revised accordingly as more detailed plans are developed. Should you have any questions do not hesitate to contact me.

Re: Affordable and Special Needs Housing Funding

Proposal

Dear Ms. Jen Surber:

On behalf of the Department of Housing and Community Development (DHCD), it gives me great pleasure to inform you that Surber Development and Consulting LLC will receive a preliminary offer from the Fall 2021 Affordable and Special Needs Housing competitive loan pool in the amount of \$375,062 in National Housing Trust Fund (NHTF) funds to support the Grande Oak III project.

Please note that you will receive further communication regarding the need to execute a NHTF program agreement within the next few weeks. The program agreement must be fully executed within 12 months from the date of this letter in order for this preliminary offer to result in a program commitment and reservation of funds.

An allocation of federal NHTF funds requires a developer to designate a specific number of targeted units at 30 percent AMI. The specific number of NHTF-assisted units will be determined prior to the execution of the NHTF program agreement. No work activities on the proposed project can be initiated prior to fully executing the HOME program agreement. A HUD required environmental review must be completed, and any adjustment to the capital budget, operating expense budget, pro forma numbers and other project parameters must be approved by DHCD before the program agreement can be executed.

A member of our ASNH team will be contacting you via email to begin the contract negotiation process soon. We are pleased to be of assistance to Surber Development and Consulting LLC in its affordable housing efforts.

Terms & Conditions Grande Oak III

38 Green Tree Circle, Bristol, 24201

The Department of Housing and Community Development herein referred to as DHCD ("Lender"), has approved the request of Surber Development and Consulting LLC, listed as the developer of the project and herein is referred to as ("Developer"), regarding Grande Oak III ("Project"). Please review the following information as it pertains to your project:

The Project is awarded \$375,062 of National Housing Trust Fund funding. Please review the following proposed terms and conditions carefully, and notate any questions you may have for DHCD staff:

Interest Rate	3% Fixed
Loan Repayment Period	360 months (Interest Only)
Mandatory Compliance Period	360 months (from date of loan closing)
Extended Affordability Period	n/a (following mandatory compliance)

The compliance and repayment period begins upon loan closing. This loan constitutes permanent, must pay hard debt, which is not cash flow dependent. Deferred principle & accrued interest shall be forgiven at the end of a successful 30-year mandatory compliance and/or affordability period.

It is the intention of the Lender to disburse the National Housing Trust Fund award as part of the permanent financing package upon final permanent close, which includes the issuance of the final Certificate of Occupancy or Certificate of Substantial Completion.

Final permanent close shall commence upon receipt of acceptable title, survey & environmental reports, closing of other required funding, customary due diligence, rehab completion (if applicable), rental occupancy report, and issuance of COO/CSC by a local building official. Impediments to loan closing include, but are not limited to: failure to complete construction/renovations, due diligence items, or rent & occupancy requirements for the project in accordance with HOME, NHTF, VHTF and/or HIEE requirements (whichever is applicable).

DHCD shall be placed in the 2nd lien position, unless otherwise approved by the agency. Program agreements <u>must</u> be executed within 12 months of this letter, with an estimated closing of permanent debt to take place no later than 24 months after construction start. Failure to execute a program agreement within 12 months could result in a de-obligation of funds to your project.

<u>Please execute and return this document to DHCD via email. Once received, DHCD will be in communication with you regarding next steps.</u>

It is our sincere pleasure to make this financing proposal to you; we look forward to your acceptance and to our continuing relationship.

Sincerely,

PURCHASE OPTION AND RIGHT OF FIRST REFUSAL AGREEMENT

This Purchase Option and Right of First Refusal Agreement ("Agreement") is made as of the 1st day of March, 2021 by and among Grande Oak III VA LLC, a Virginia limited liability company (the "Company") and Southeastern Housing Preservation, Inc., a North Carolina nonprofit corporation exempt from federal income taxation under Sections 501(a) and 501(c)(3) of the Internal Revenue Code of 1986, as amended, and whose primary purpose is providing housing to low-income families (the "Grantee") (the Company and the Grantee are the "Parties").

WHEREAS, the Company intends to construct a multifamily apartment complex to be known as Grande Oak III Apartments to be located in the County of York, Virginia as more particularly described on Exhibit A ("Property") and the Property is or will be subject to one or more governmental agency regulatory agreements (collectively, the "Regulatory Agreement") restricting its use to low-income housing and may become subject to a low-income use restriction (the "Special Covenant") pursuant to the terms and conditions of this Agreement (such use restrictions under the Regulatory Agreement and Special Covenant being referred to collectively herein the "Use Restrictions"); and

WHEREAS, Grantee is a member of the Company and desires to provide for the continuation of the Property as low-income housing upon termination of the Company's ownership of the Project by the Grantee purchasing the Property at the applicable price determined under this Agreement and operating the Property in accordance with the Use Restrictions; and

WHEREAS, Grantee has negotiated and required that the Company execute and deliver this Agreement in order to provide for such low-income housing.

NOW THEREFORE, in consideration of the execution and delivery of the Agreement and the payment of the Grantee to the Company of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Grant of Option. The Company hereby grants to the Grantee an option (the "Option") to purchase the real estate, fixtures, and personal property comprising the Property or associated with the physical operation thereof, owned by the Company at the time of Purchase, after the close of the fifteen (15) year compliance period for the low-income tax credit for the Property (the "Compliance Period") as determined under Section 42(i)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of the Option specified herein.

- 2. Grant of Refusal Right. In the event that the company receives a bona fide offer to purchase the Property, which offer the Company intends to accept, Grantee shall have a right of first refusal to purchase the Property (the "Refusal Right") after the close of the Compliance Period, on the terms and conditions set forth in this Agreement, and subject to the conditions precedent to exercise of the Refusal Right specified herein. In addition to all the other applicable conditions set forth to this Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter, until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed or (ii) the Refusal Right has been assigned to Permitted Assignee described in Section 10 hereof, whichever first occurs, a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code and (b) any assignment of the Refusal Right permitted under this Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter, until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee meeting the requirements of Section 42(i)(7)(A) of the Code. Prior to accepting any bona fide offer to purchase the Property, the Company shall notify the Grantee of such offer and deliver a copy thereof. The Company shall not accept any such offer unless and until the Refusal Right has expired without exercise by Grantee under Section 6 hereof.
- 3. <u>Purchase Price Under Option.</u> The purchase price for the Property pursuant to the Option shall be the greater of (i) the Fair Market Value of the Property or (ii) the amount sufficient (a) to pay all debts (including member loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, and (b) to distribute to the members cash proceeds equal to the taxes projected to be imposed on the members of the Company as a result of the sale pursuant to the Option.

As used in this Section 3, Fair Market Value shall mean:

- i) The fair market value determined as the Parties shall agree.
- ii) If the Parties cannot agree on a determination of the Fair Market Value, the fair market value as determined by an appraiser mutually acceptable to the Parties.
- iii) If the Parties cannot agree on selection of an appraiser, the Company shall provide Grantee with a list of three potential alternative appraisers. The Grantee shall choose one appraiser from such list who shall determine the fair market value of the Property.
- 4. <u>Purchase Price Under Refusal Right.</u> The purchase price of the Property pursuant to Refusal Right shall be equal to the sum of: (a) an amount sufficient to pay all debts (including Member Loans) and liabilities of the Company upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Refusal Right, (b) an amount sufficient to distribute to the members of the Company cash

proceeds equal to the taxes projected to be imposed on the members of the Company as a result of the sale pursuant to the Refusal Right, (c) an amount necessary to repay the managing member of the Company for any special capital contribution it had to make to pay off unpaid development fee, (d) expenses of sale, and (e) any amounts owed to the investor member of the Company under the operating agreement of the Company.

- 5. <u>Conditions Precedent.</u> Notwithstanding anything in this Agreement to the contrary, the Option and Refusal Right granted hereunder shall be contingent on the following:
 - (i) the Regulatory Agreement shall have been entered into and remained in full force and effect and those Use Restrictions to be contained therein, shall have remained unmodified without its prior written consent, or
 - (ii) if the Regulatory Agreement is no longer in effect due to reasons other than a default thereunder by the Company, such Use Restrictions, as so approved and unmodified, shall have remained in effect and shall continue in effect by inclusion in the vesting deed of the Property to the Company.

If any or all of such conditions precedent have not been met, the Option and the Refusal Right shall not be exercisable.

6. Exercise of Option or Refusal Right. The Option and Refusal Right may each be exercised by Grantee by giving prior notice of its intent to exercise the Option or the Refusal Right to the Company and each of its members in the manner provided in the Agreement in compliance with the requirements of this Agreement.

If prior to exercise of the Option or Refusal Right, as applicable, the Service has issued a revenue ruling or provided a private letter ruling to the Company holding that a covenant of the nature described hereinbelow may be utilized without limiting tax credits or deductions that would otherwise be available to the members of the Company, then as a condition of the Option and Refusal Right, the deed to Grantee shall include a special covenant ("Special Covenant") specifically restricting continued use of the Property to low-income and maximum rent requirements (excluding any right under the Code to raise rents after notice to the applicable state or local housing credit agency if it is unable to find a buyer at the statutory price) as are currently specified in the Agreement with reference to low-income housing tax credit (notwithstanding any future discontinuation of such credit or modification of federal requirements thereof), except insofar as stringent use requirements are imposed by the Regulatory Agreement. The Special Covenant shall constitute part of the Use Restrictions. The Special Covenant may state that is applicable and enforceable only to the extent such housing produces income sufficient to pay all operating expenses and debt service and fund customary reserves and there is a need for low-income housing in the geographic area the Property is located. Covenant shall run with the land for a period of fifteen (15) years after closing of the purchase under the Option of the Refusal Right, as applicable, or, if longer, for the period measured by the then remaining period of Use Restrictions under the Regulatory Agreement, provided that the Special Covenant shall terminate the option of any holder of the reverter rights described hereinabove, upon enforcement thereof.

In the event that neither the Option nor the Refusal Right is exercised, or the sale pursuant thereto is not consummated, then upon conveyance of the Property to any one other than Grantee or its permitted assignee hereunder, the foregoing provisions shall terminate and have no further force and effect.

- Assignment. Grantee may assign all or any of its rights under this Agreement to (a) qualified nonprofit organization, as defined in Section 42(h)(5)(c) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Property (each a "Permitted Assignee") that demonstrates its ability ad willingness to maintain the Property as lowincome housing in accordance with the Use restrictions, and subject to any event to the conditions precedent to the Refusal Right grant and the Option price set forth in Sections 2 and 3 hereof. Prior to any assignment or proposed assignment of its rights hereunder, Grantee shall give written notice to the Company and all members of the Company. Upon any permitted assignment hereunder references to this Agreement to Grantee shall mean the permitted Assignee where the contact so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Agreement and so assigned. No assignment of Grantee's rights hereunder shall be effective unless and until the permitted Assignee enters into a written agreement accepting the assignment and assuming all of Grantee's obligations under the Agreement. Except as specifically permitted herein, Grantee's rights hereunder shall not be assignable.
- 8. <u>Miscellaneous</u>. This Agreement shall be governed by the laws of the Commonwealth of Virginia. This Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement.

Wireless Access Policy

Use of wireless devices and internet access are increasing as it provides a convenient mechanism for accessing resources. Along with this convenience is a need for management access, as the devices are natively less secure than a hardwired device. The following policy is being implemented to reduce risks related to wireless networks:

- Wireless networks shall be segmented between personnel, residents and guests.
- Wireless access points or routing devices are to be secured with lock access only accessible by the management agent.
- Logical and physical user access to wireless network devices shall be restricted to authorized personnel and residents only.
- The guest access point is to be used by all guests.
- All vendor default settings for wireless devices (e.g. passwords, wireless encryption keys) shall be changed prior to installing wireless equipment.
- Wireless security protocols shall be used that are of the highest encryption possible.
- Strong passwords shall be employed for all wireless SSID and changed on a periodic basis either through the protocol or across the enterprise
- User id will be issued to all users at that time of move in or hire date
- Passwords will expire every 90 days
- Passwords will need to include at least 1 uppercase letter, 1 lowercase letter, a number and special character.
- Passwords are not to be shared with guests, other residents or personnel.

The users of wireless access are responsible for protecting the information and/or devices:

- Devices should be equipped with firewalls and/or virus protection.
- Wireless networks transmitting sensitive information or connected to sensitive information environments recommend use of strong encryption for authentication and transmission.
- Inspections will be conducted semi-annually to assure wireless access points or routing devices are secure.

Residents, personnel or guests found in violation of policy may be subject to lease or employment termination.

Hi there kids! I am Charlie Cardinal and this is Speedy the Crime Fighting Hamster. We are here to introduce you to the basics of Internet Safety and some of the villains you need to watch out for. There are some bad characters out there, so you have to protect

Privacy & Personal Information

Privacy is being able to keep things secret or hidden from others.

Personal Information is information about you or your family such as your address, a social security number, your parent's bank account, or how much money they have.

Criminals love to get people's personal information because they can pretend to be you, or use your money to buy things.

They can also make money off of your information by selling it to others. Companies or other criminals will use your info to send you junk mail or spam emails.

Criminals learning your address can be very bad. They may break in and steal from you. Protect your safety and your belongings, by keeping your information a secret.

These bad people may even use your personal information to trick someone else in your circle of friends and family. People sometimes tell criminals things that they shouldn't if they think that they are communicating with someone they know.

Passwords

One of the most important things you need to learn is how to create strong passwords. A password is a code you type in to let the computer know it is really you.

Having an easy to guess password could allow someone to snoop around in your private information.

The way to make your password strong is to never use your name or your birthday. Use something hard to guess, but easy for you to remember. Make your password at least 8 characters long, and mixing numbers, symbols, and upper and lower case letters makes the password strong just like Speedy. Avoid using the same password over and over. That way if they do figure out your password, they only gain access to one account. And never leave your passwords written down where someone can find it.

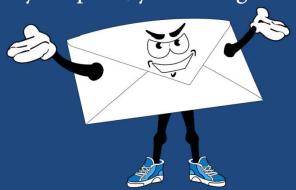

A great tool online that creates kid friendly passwords is the website,

Spam (5)

Spam is basically email that you receive from different companies or strangers that you did not sign up for. Most times it isn't from real companies and usually the sender is up to no good.

Spam emails can sometimes be a phishing scam. Phishing emails are emails that look like it is from some trusted source. A place like your bank, the IRS where taxes are collected, or some other business you shop with often. They make their email look like it is the real thing with logos, and they put links in the email baiting you to click them. Once you click the link, you could be launching a program that can damage your computer in some way or collect your personal information.

Spam emails can also use winning a sweepstakes or some other type prize to trick you into trusting the email source. After they hook you in, they inform you that to collect your prize, you must give them your credit card number.

How do you know it is spam?

Spam emails typically have a bunch of spelling and grammar errors or a mention of someone you don't know in the subject line. Don't Open It! Delete those emails right away.

Malware is a program written with the intent to harm your computer in some way.

Programs such as this, may be waiting for you to do something(a trigger), so that it can run. This could be the clicking of the link or opening an email attachment.

When searching for free downloads online, be very careful. There are a lot of sites out there trying to trick you. They will pay to make their site get returned at the top of the list of search results. Then when you access the page, they use blinking buttons to trick you to click. The result of clicking usually ends up being your computer loaded up with malware.

Once your machine is infected, it can change browser settings, create unusual popup ads on your computer and then pass the malware on to someone else.

Spyware is a program that gets onto your computer through a download or a virus and it gathers information about you and sends this back to its creator.

Some of the types of information spyware might send back to home base is email addresses of you or your contacts, passwords, account numbers, and credit card numbers.

Some spyware out there records how you use your computer and what you search for online.

Adware

Adware is software that you are allowed to use by the author because of the advertisements that pop up occasionally during the game. Many of these type games you will find in the form of apps on your phone or devices.

Through the addition of advertisments, the developer gains some income that may supplement a discount to the user, sometimes making the software free.

Often after using the product with the ads, a consumer will purchase the software to get rid of the ads.

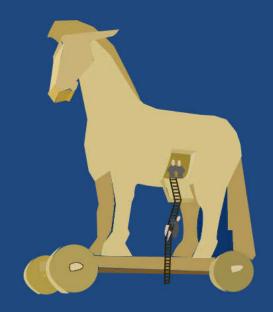

Trojan Horse

The name for the Trojan Horse virus was derived from tale of the Trojan Horse constructed by the Greeks to gain access to the city of Troy. The wooden horse was left at the gates as an offering to Athena. The horse was then wheeled into the city and out came Greek fighters hiding inside.

A Trojan horse virus is a form of malware that is dressed up as something interesting or software from a source we are familiar with. The purpose is to trick the person into installing it. This allows the creator of the Trojan to do damage to data or software on your computer. They also will set up a 'back door' or access point that allows them to access your system.

Trojan viruses don't spread by infecting other files and they cannot duplicate themselves.

Worms

Worms are malware that can duplicate itself and spread to other computers. Worms always do something bad, even if it is just slowing things down.

Worms will frequently set up the ability for computers to be taken over by the worm's author by creating backdoors on the host computer. These computers are then called a "zombie computer". "Zombie computers" can be used to send out spam or as a shield to hide the web address of people who want to do bad things.

A virus is a small program that is created to spread from one computer to the next and to mess up the way your computer works.

Many times viruses hop from computer to computer via email attachments or messages. They can also hide in funny pictures (memes), e-cards, or other desirable file attachments. It can also be sent through an instant message.

A virus can corrupt your data, or worse, delete it. It can also email copies of itself to your friends.

Keeping your anti-virus software up to date is key to protecting against the latest viruses and other security threats.

Social Media

Privacy settings on social media accounts are set up as public when you first get one. Unless you want everyone to be able to look at all of your photos and other private stuff, you must go into your account settings and change this.

Something to remember is whatever you post and say on your page can be shared by your friends. Think about what you post online, BEFORE you do it. What you post, could be seen by anyone at any time depending on your settings and the friends you keep. Because we can take pictures of our screens, there is really no setting that can protect you. Think twice about what you are sharing with others, so there are no regrets later.

Make sure you know the people that you accept friend requests from. Sometimes people try to friend you to hack your Facebook account or access your contacts. Once you are hacked they will send out strange messages or friend requests to your contacts. Protect your friends and yourself by being cautious with friends and creating strong passwords for your social media accounts.

Geotagging 👩

Geotagging is the bit of data that your electronic device packages with your picture that has information about where the picture was taken. This is something that can be turned on and off in your device and typically comes turned on until you change the setting.

When your photo is geotagged, this gives people information about your location. Letting outsiders know where you are, can allow them to plan to steal your belongings or vandalize your home.

Consider if you post a photo every Wednesday in your outfit ready to walk to ball practice and geotagging is turned on. This shows you have a routine and gives a rough area you will be in. A predator could come and take you away.

Another issue with allowing the geotagging to occur is you don't have control of your own privacy. Everyone does not need to know where you are all of the time, keep this information private.

Be Careful of What You Say!

Defamation: Defamation is the blanket word used for all types of untrue statements made about others.

Slander: When someone orally tells one or more people an untruth about someone, which will harm the reputation of the person it is about. It is not slander if the untruth is in writing of some sort or if it is broadcast through television or radio.

Libel: This is where someone publishes to print(including pictures), written word, online posts, blogs, articles, or broadcast through radio, television, or film, an untruth about another which will do harm to the person's reputation.

Be Careful of What You Say!

Much of the things people post online may get ignored, and you may get lucky and avoid legal action. But, when someone gets angry and files a lawsuit it can cause a major headache and possibly hit you hard in the wallet.

You might think you should have a right to openly complain about a company and their bad service or lousy product. Well when it comes to this, it is not always that simple. You can get sued for this and even if the judge agrees with you, you still have to pay for a defense attorney. Think twice and make sure that whatever you have to say is worth any headache you may have pop up later.

On social media, people get into the habit of letting their emotions get the better of them and they end up speaking their minds about others online. When that person feels that this damages their character, they may opt to sue the other person for defamation. Even if their case is not successful, the stress, money, and time that you spend defending yourself is not worth it. To read more about defamatory social media posts,

Stranger Danger Online

When you think of being on your computer or other electronic device in your own home, you probably think you are safe. Your mom is in the next room, what could happen?

Well there are people online that are up to no good. They go in chat rooms and pop up on your instant messenger, looking for someone to "groom".

What is grooming you say? Well, grooming is when a stranger(can be any age) finds someone they are interested in, usually a minor. They act really nice and maybe they pretend they are much younger than they really are, like they are a kid just like you. Then they try to get you to like them and to trust them. They may ask you not to tell anyone you are talking to them. This is not okay and is a warning sign of a possible groomer.

How to Protect Yourself in Online Chats

- Choose chat sites designed for kids, such as ______. Kidzworld is moderated and its aim is to protect kids from unwanted requests and online bullying.
- Beware of people you don't know. If they are asking too many questions or being too friendly they may be up to no good.
- If someone asks you to send them a picture or sends you a picture or video that is inappropriate, tell an adult or report them to the site moderators.
- Don't give out personal information to strangers online
- Don't tell strangers where you live or give them your telephone number
- Don't send strangers pictures of you or others
- If you are being bullied or threatened online, tell an adult or someone you trust

- Cyberbullying is the willful and repeated harm inflicted through the use of computers, cell phones, and other electronic devices.
- Using PhotoShop or other tools to create harassing images.
- Posting jokes about another person on the internet
- Using the internet to entice a group to physically harm another person.
- Making threats online using IM, email, social networking sites, or other electronic devices.

Anything that you write, pictures that you post, or videos that you upload can be used by your school to **suspend** you.

College students have been removed from their athletic teams and lost college funding for writing negative comments about their coach.

When applying to colleges, they will search online to see what kind of person you are. They can deny you access if they don't like what they find.

When businesses are looking at people to hire for a job they will many times use social media to see what kind of person they are. Mean or inappropriate type posts can prevent you from getting the job you desire.

Cyberbullying can also be considered a crime and participating in this type of behavior can land you in big trouble.

Consequences of Cyberbullying

- § 18.2-152.7:1. Harassment by Computer; Penalty makes cyberbullying a crime.
- Carries a \$2500 fine and punishable by up to 12 months in prison.

There are many websites designed to inform and decrease the number of bullying cases we see each year. The U.S. Department of Health and Human Services has created a website with lots of resources to help combat bullying of all kinds - www.stopbullying.gov If you experience cyberbullying or witness it, tell someone such as a school counselor, teacher, or a parent.

The Effects of Cyberbullying

- Victims feel depressed, sad, angry, and frustrated.
- Victims become afraid and/or embarrassed to attend school.
- Can lead to low self-worth, family problems, academic problems, school violence, and bad behavior.
- Victims can also develop thoughts of killing themselves and possibly act on these feelings.
- There are no positive effects of cyberbullying, only pain and suffering for the victims.
- The affects of being bullied can affect the victim into adulthood and prevent them from being all they can be in the future.

Dealing with Cyberbullying

- Never do the same thing back, 2 wrongs don't make a right
- Tell them to stop
- Block their access to you
- Report it to the site you are on such as Facebook or Twitter
- NEVER pass along messages from cyberbullies, stop the spread of this behavior
- Set up privacy controls and keep the bully out of your friends list
- Don't be a cyberbully yourself
- If you witness someone getting bullied, tell someone so it can be stopped.
 Many times the person being bullied won't tell out of fear.
- Spread the word that bullying is not cool
- Don't laugh or encourage the bully, it is not funny and it can lead to major trouble for the person doing the bullying.

About Sexting

"Sexting" is when someone sends or receives sexually explicit or non-PG Rated pictures or video electronically, mainly via cell phones or tablets.

The numbers on how many teens say that they have sent/posted nude or seminude pictures or videos of themselves is upsetting.

20% of teens between 13 to 19 years of age have engaged in sexting.

22% of teen girls

18% of teen boys

11% of teen girls between 13 to 16 years of age have engaged in sexting.

Did you know that if you forward a picture of a sexual or nude photo of someone underage, you are as responsible for the image as the original sender?? You can be charged with a crime.

Many teens don't realize that if you send a picture of yourself that is inappropriate and that picture ends up online, it could be there forever. You can never fully delete things that end up on the web.

About Sexting 🕏

There is no age minimum that protects young people from getting charged with a sexual offense.

Something that you think is okay or just a joke, might land you in a ton of trouble. For example, you might take a picture of your friend naked to embarrass them, but if they are under the age of 18, this is considered production of child pornography.

If you are sent something inappropriate, do not share it and don't delete it. Tell an adult immediately. You may feel like you are getting your friend into trouble, but you are protecting yourself and you are protecting them. They may not be thinking about the consequences or the effect this behavior can have on their future.

Anyone that gets convicted of a sex offense, will have to register as a sex offender. Sex offenders have to keep their address updated and keep a current photo with the police. The information goes on the sex offender registry where anyone can go and see your picture and where you live online.

REMEMBER: You can't control what other people do with your photos. Even if you think you are sending it to someone you can trust, they may end up surprising you. You can't trust anyone with something as private as that. Don't Do It!

Legal Consequences of Sexting

- The Virginia Department of Education has an excellent resource with real life examples of the consequences of sexting that can be found
- The Attorney General's Virginia Rules website is designed to give Virginia Youth information on all the laws in the state.
 has extensive information on sexting and other internet security risks.
- This article in The Virginian-Pilot tells a story of five Virginia teens getting charged with felonies for sexting and being in possession of sexually explicit photos of a minor, read more about it

Marketing Plan for units meeting accessibility requirements of HUD section 504

Grande Oak III Marketing Plan for Units Which Conform to Section 504 of the Rehabilitation Act and units that will be targeted to Veterans

This Marketing Plan for Units Which Conform to Section 504 of the Rehabilitation Act (the "Marketing Plan") has been designed to convey to current and potential residents with disabilities that Grande Oak III will be a new rental housing experience, with a commitment to excellent management and resident service, as well as an expectation of resident responsibility. Therefore, the majority of this plan will address ways in which property management will endeavor to secure qualified tenants, and to ensure quality tenancy as well as effective management and maintenance of the property.

The Management Agent will be responsible for the management of Grande Oak III. GEM MANAGEMENT, LLC, the Management Agent, will be responsible for all the traditional management functions, including rent collection, maintenance, record keeping, reports, development of budgets, and monitoring resident income qualifications. Additionally, GEM MANAGEMENT, LLC will be responsible for the development and management of community and resident services program.

I.Affirmative Marketing

GEM MANAGEMENT, LLC is pledged to the letter and the spirit of the U.S. policy of the achievement of equal housing opportunity throughout the Nation and will actively promote fair housing in the development and marketing of this project. GEM MANAGEMENT, LLC, its Officers, Directors and employees will not discriminate on the basis of race, creed, color, sex, religion, familial status, elderliness, disability or sexual orientation in its programs or housing. They will also comply with all provisions of the Fair Housing Act (42 U.S.C. 3600, et. Seq.).

Any employee who has discriminated in the acceptance of a resident will be subject to immediate dismissal. All persons who contact the office will be treated impartially and equally with the only qualification necessary for application acceptance being income and credit, and conformity with the requirements of the Section 8 Program and Tax Credit programs. All interested parties will be provided a copy of the apartment brochure/flyer. Any resident who has questions not answered by the housing staff will be referred to the Associate Director or the Executive Director of GEM MANAGEMENT, LLC.

II. Marketing and Outreach

Locating people with disabilities to occupy the units which conform to the requirements of Section 504 of the Rehabilitation Act will be accomplished as follows:

- Unless prohibited by and applicable federal subsidy program.
- A "first preference" will be given for person in a target population identified in a memorandum of understanding between the Authority and one or more participating agencies of the Commonwealth.
- Will obtain tenant referrals from the Virginia Department of Medical Assistance Services (DMAS) or Virginia Department of Behavioral Health and Developmental Services (DBHDS) or any other agency approved by the Authority.
- Will Retain Tenant verification letter, Acknowledgment and Settlement Agreement Target Population Status
- Target Population units will be confirmed by VHDA.

2. Internet Search

Grande Oak III will also be listed on the following websites:

www.virginiahousingsearch.com

www.hud.gov www.craigslist.org accessva.org dbhds.virginia.gov

3. Print Media

Print media sources will also be identified in the York County/Williamsburg area that cater to people with disabilities as well as the public at large. These sources may include, but are not limited to, rental magazines such as the *Apartment Shoppers Guide*, *Apartments For Rent*, local newspapers, etc. All advertising materials related to the project will contain the Equal Housing Opportunity logo, slogan or

statement, in compliance with the Fair Housing Act, as well as the fact that units for people with disabilities are available.

4. Resident Referrals

An effective Resident Referral program will be set up, in which current residents are rewarded for referring friends, coworkers, and others who may have disabilities to the property. These referrals are generally the best form of advertising as it attracts friends who will want to reside together, thus binding the community. **Residents will be offered incentives, to be determined, for referring qualified applicants who rent at the property.** Flyers will be distributed to residents along with the resident newsletter announcing the tenant referral program.

5. Marketing Materials

Additional marketing materials are needed in order to further support the specific marketing effort to people with disabilities. All printed marketing materials will include the EHO logo. The marketing will also emphasize the physical and administrative compliance with Americans with Disabilities Act.

These marketing materials include:

- **Brochures or news media coverage** –A simple, two color brochure may be produced at low cost which will effectively sell the apartments and community. A brochure will include a listing of features and amenities. News media may include the local newspaper and/or the local television station coverage.
- Flyers As mentioned earlier, a flyer campaign can be used effectively to market the community. Each flyer should incorporate graphics as well as a small amount of copy and should be designed to generate traffic.
- **Resident Referral** The least expensive form of advertising is through Resident Referrals. A flyer should be created and distributed to all residents. (\$50 \$100 per referral, paid upon move in). In addition to being distributed to all residents, the referral flyer should be left in the

Management office and should be included in the move in packet. (People are most inclined to refer their friends in the first few weeks of their tenancy.) The flyers will be changed to reflect the season or any type of special referral program.

III. Public and Community Relations

Equal Housing Opportunity promotions - all Site Signage containing the EHO logo and Fair Housing posters are displayed in English and Spanish in the Rental Office. GEM MANAGEMENT, LLC encourages and supports an affirmative marketing program in which there are no barriers to obtaining housing because of race, color, religion, national origin, sex, elderliness, marital status, personal appearance, sexual orientation, familial status, physical or mental disability, political affiliation, source of income, or place of residence or business.

Additionally, a public relations program will be instituted to create a strong relationship between management and local disability organizations, neighborhood civic organizations, city officials, and other sources of potential qualified residents still to be identified.

IV. Tenant Selection and Orientation

The first contact with the management operations is an important one in attracting qualified residents; therefore, the management/leasing offices should convey a sense of professionalism, efficiency, and cleanliness. The management/leasing office is designed to provide a professional leasing atmosphere, with space set aside specifically for applicant interviews and application assistance. The leasing interviews will be used to emphasize the respect afforded to the applicant and the responsibilities which the applicant will be expected to assume.

Times of Operation - the Management Office will be open Monday through Friday from 8:30 A.M. to 4:30 P.M. Applicants will be processed at the Management Office Tuesday, Wednesday and Thursday, in accordance with approved criteria. Move-in process and orientation to property - applicants meet with designated staff to discuss programs available on the property and will be supplied relevant information to assist them in their move.

Management staff will perform housekeeping/home visits, check previous landlord and personal references, perform criminal/sex offender and credit background checks and verify income for each application taken. Tenant Selection will include minimum income limits assigned by the Owner/HUD. New residents will be given an orientation to the property including a review of the rules and regulations, information on the area, proper use of appliances, move-out procedures, maintenance procedures, rent payment procedures, energy conservation, grievance procedures and a review of the Lease documents.

Tenant Selection Criteria

Tenant Selection will include maximum income limits under the Low-Income Tax Credit and Section 8 programs. Selection criteria will also include student status guidelines pursuant to the Low-Income Housing Tax Credit program.

Management will commit that no annual minimum income requirement that exceeds the greater of \$3,600 or 2.5 times the portion of rent to be paid by tenants receiving rental assistance.

Application Processing

Application processing will be done at the Management Office by the housing staff who are well versed in Fair Credit Law. As stated before, the processing will include a review of housekeeping/home visit, prior landlord references, personal references, criminal/sex offender and credit reporting and income verification. The housing staff will make further review for inaccuracies in the application. The annual income and family composition are the key factors for determining eligibility. However, the Housing Committee will also use the following criteria in selecting applicants for occupancy:

Applicants must be individuals, not agencies or groups.		
Applicants must meet the current eligibility income limits for tax credits and any other program requirements.		
We will process the Rental Applications through a credit bureau to determine the credit worthines of each applicant. If the score is below the threshold, and it has been determined that applicant has no bad credit <u>and</u> no negative rental history <u>and</u> no criminal history then the application can be conditionally approved after contacting the prior landlord. In these cases, the application must be reviewed by the Associate Director/ housing committee before final approval.		
Note- If the applicant's denial is based upon a credit report, the applicant will be advised of the source of the credit report in accordance with the Federal Fair Reporting Act. Guidelines published by the Federal Trade Commission suggest that apartment managers fall under the provisions of the Act and are obligated to advise the person refused an apartment for credit reasons, the name and address of the credit reporting firm in writing The credit report will not be shown to the applicant, nor will specific information be revealed.		
We will process the Rental Application through a credit bureau to determine any possible crimina conduct. Convictions will be considered, regardless of whether "adjudication" was withheld. A criminal background check will be used as part of the qualifying criteria. An applicant will automatically be denied if;		
 There is a conviction for the manufacture, sale, distribution, or possession with the intent to manufacture, sell or distribute a controlled substance within the past five years. There is evidence in the criminal history that reveals that the applicant has developed a pattern of criminal behavior, and such behavior presents a real or potential threat to residents and/or property. The application will be suspended if an applicant or member of the applicant's family has been arrested for a crime but has not yet been tried. The application will be reconsidered, within the above guidelines, after such legal proceedings have been concluded at applicants' request. 		
Applicants must provide complete and accurate verification of all income of all family members. The household's annual income may not exceed the applicable limit and the household must me the subsidy or assisted Income Limits as established for the area in which Grande Oak III is located. The annual income is compared to the area's Income Limits to determine eligibility.		
Family composition must be compatible for units available on the property.		
Applicants must receive satisfactory referrals from all previous Landlords.		
Applicants must provide verification of full-time student status for all individuals listed on the application as full-time student for tax credit units.		
Applicants must not receive a poor credit rating from the Credit Bureau and other credit reporting agencies and must demonstrate an ability to pay rent on time.		

Applicants must provide a doctor's statement and/or other proof of any handicap or disability.
Applicants must provide a birth certificate or other acceptable HUD approved form of documentation for all household members.
Applicants must complete the Application for Lease and all verification forms truthfully.
Applicants must provide all information required by current Federal regulations and policies.
Applicants must have the demonstrated ability to maintain acceptable housekeeping standards.
Applicants must meet current Federal program eligibility requirements for tax credits and any other programs.
Preference will be given to those households whose family members are handicapped or disabled for housing in the units specifically designated for the handicapped or disabled.
Applicants who meet the above criteria will be placed on a waiting list based on the date and time of their application. If an applicant turns down a unit for any reason, the applicant will be moved to the bottom of the waiting list. If the applicant turns down a unit for any reason a second time, the applicant will be removed from the waiting list.

☐ Held Vacant for 60 Days

Unit must be held vacant for 60 days during which marketing efforts must be documented. However, if marketing to the Target Population is deemed to be conducted satisfactorily on an ongoing basis throughout the year and management can provide sufficient documentation to VHDA's Compliance Officer, management may request the ability to lease 60-point Units and 30-point Units, to a household not in the Target Population without the unit remaining vacant for the 60-day timeframe. "Ongoing basis" means contact to at least two (2) resources at least monthly in the manner noted below at any time the required number of units is not actually occupied by the Target Population.

Each time a vacancy occurs in a 60-point Unit or a 30-point Unit, if a qualified household including a person in the Target Population is not located in the 60-day timeframe, the owner or manager may submit the evidence of marketing to VHDA's Compliance Officer and request approval to rent the unit to an income-qualified household not a part of the Target Population. If the request is approved, the lease must contain a provision that the household must move to a vacant unit of comparable size in the development if a household in the Target Population applies for the unit. The move will be paid for by the owner.

If no vacant unit of comparable size is available at that time, the Target Population prospective tenant should be placed on the development's waiting list and placed in the 60-point Unit or 30-point Unit, when the first available vacant comparably sized unit becomes available to move the non-Targeted Population tenant.

NOTE: The move of the temporary/non-disabled tenant will be paid for by the owner.
